Dear Mahel and Lucinda -

Greetings from N.H. -  
Going to be hot to-day. We  
are enjoying the cool nights  
and the sparkling mornings.

Ocie has just been up  
the road to see a family  
of yellow throats feeding  
their babies. I'm staying  
kind of quiet to-day as  
the pain is back. Can't you  
come up and keep me  
company Ma? Bea Rice
